Good evening,

Our meeting dates have been finalized and we will once again be meeting at Brick Memorial HS. Dates can be found on our website using the link below.

<https://www.shoreboard194.org/calendar.php>

All active working officials are required to attend an Interpretation Mtg and two of 194's regular meetings, as per policy. As per NJSIAA, you are also required to complete the game simulator and the NFHS Concussion in Sports course this fall.

Packets will be available for pickup at both of our Interpretation meetings. The Interpretation meeting will once again be combined with the required game simulator presentation and is expected to last two hours.

If you have yet to register with the NJSIAA (and background check), you are not in good standing and have to take care of this ASAP.

Please contact me via email with any questions.

See you soon.
Nelson
